

Korematsu PTO
Cinco de Mayo
 Auction

Since this will be Korematsu's first big auction party, we need sponsors to help with upfront expenses that the current KPTO budget does not have. In addition, a strong majority of our teachers and staff have told us they would like to attend. We would like them to attend free of charge, that is, if we are able to raise

the necessary funds. Sponsorship levels are shown below for your consideration. Kindly return this form and a check made out to Korematsu PTO to the office. Thank you for your support.
